R. S. Sideling, who was for six years pastor of a church at East Concord, Vt., will speak on "Socialistic Ideas" at Tool Sharpeners' hall, Quinlen block, Thursday evening, May 7th, at 7:30. He is called an able speaker and it is hoped those interested in one of the important questions of the day will endeavor to be present.

According to law the pass books issued by all savings banks in Vermont are to be verified with the individual accounts at the banks once in five years, and this being the year for the work, Inspector of Finance F. S. Platt of Poultney has designated May as the month in which it shall be done. All depositors are requested to turn in their books.

The ladies of the Church of the Good Shepherd are looking forward to having a large crowd in Miles' hall Thursday evening May 7, to their literary entertainment. They are sure it is worthy your patronage. Please take note of the excellent programme and only charging the small sum of 15 cents when it is worth at least twenty-five. Come and make merry with them.

WILLIAMSTOWN.

The Gulf House, Williamstown, A. C. Cowles, proprietor, is now open for the summer season. Special Sunday dinners served from 11 a. m. until 4:30 p. m.

THE AMERICA STANCH.

Yacht That Brought Over the Cup Not to Be Broken Up.

Representative Butler Ames recently indignantly denied the story that the old yacht America, that brought the cup to the United States, is to be broken up, says a Boston dispatch to the New York Herald.

"That is the last thing I would think of doing," said her owner. "She is too precious for that. Just what will be done with her I cannot say at this time, but I doubt whether I shall put her in commission this season. She has inch and a half oak planks and is sound as a bell."

New Process For Hardening Steel.

John Pieper, a tool maker of Hamilton, O., recently gave a public exhibition of a new process he has invented for tempering steel, says the Chicago Record-Herald. It particularly applies to edged tools and promises to revolutionize the cutlery trade. A razor hardened by Pieper's process shaved long splinters off a wire nail and was immediately afterward used for shaving purposes. Its edge was not damaged at all. A keen butcher knife was driven through a quarter inch of common steel.

Are you about to build? If so see that your builder's contract has a clause providing that the structure shall be erected by union labor which will insure you of good work and a job completed without delay. Per order Union 481, Carpenters and Joiners of America, A. B. Lane, secretary.

SIMPLE REMEDY FOR CATARRH.

Just Breathe Hyomei Four Times a Day and Be Cured.

If, a few years ago, someone had said you can cure catarrh by breathing air charged with a healing balsam, the idea would have been ridiculed, and it remained for R. T. Booth, that eminent investigator, to discover in Hyomei this method of cure.

Hyomei has performed the most miraculous cures of catarrh and is today recognized by leading members of the medical profession as the only advertised remedy that can be relied upon to do just what it claims.

The complete outfit of Hyomei costs but \$1.00 and consists of an inhaler, a medicine dropper and a bottle of Hyomei.

Breathe Hyomei through the inhaler for a few minutes four times a day and it will cure the worst case of catarrh. It soothes and heals the mucous membrane of the air passages, prevents irritation, and effects a complete and lasting cure.

The treasurer of the American Life Insurance Company, J. S. Nugent, of New York city writes: "Hyomei has completely cured my daughter of catarrh from which she has been a sufferer for years."

In Barre there are scores of well-known people who say they have been cured of catarrh by Hyomei. If it does not cure you, Hickert & Wells will return the money you paid for Hyomei. This is the strongest evidence that can be offered as to their faith in the remedy.

Kohol.

Kohol, the black stain for the hair of which one reads so frequently, is an oriental preparation. There are various formulas, but all are alike in giving only a temporary effect. The most common way of making the article is by grinding down India ink with rose-water.
